

Ari's Art Exchange

2026 Artist Application

Thank you for your interest in having artwork at Ari's Art Exchange! We take work on a consignment basis, meaning you will be paid for your work as it sells.

We have display space available for (but not necessarily limited to):

- Stickers
- Keychains
- Original art prints
- T-shirts/clothing
- Jewelry
- Trinkets/decor

Rather than charging a commission on each sale, we ask that artists pay rent for the space that their works take up. Please review the rates below & indicate what kind of space you're looking for in your application.

General expectations:

Artist rent should be paid every month on the first (more info under Payments section).

Acceptance of your application will guarantee you a spot for 6 months, after which you will have the option to renew your space, move your work to a different space (if available), or open up the space for a new artist. You are not required to keep your work in the shop for the full six months.

In order to optimize checkout & taking inventory, we will require all individual products to be tagged. **All products must have your name (brand or artist) attached somewhere for easy identification, as well as the price.** (With the exception of stickers, see Sticker Display under Rates for more info)

Keychains, jewelry, clothing, etc. should have hanging tags with the previously stated information. Print tags could be a stamp or handwritten on the back of each piece if they are not bagged, or with a business card included in the packaging. We can supply tags if needed, fees may apply.

General Space

- **Wall Space: SOLD OUT**

If you're looking for a general space to display multiple kinds of work, we have sections of pegboard wall starting at **\$20/month for 1sq ft**. These spaces will be maintained by the artist (set up & stocked, we will not have space to hold extra stock, but will notify you when your space needs to be restocked) We will provide attachments such as hooks & shelves which you can use to set up your section of the wall however you like! You're also welcome to bring your own display items, and attach stickers/imagery to the wall around your work (within the 1x1' space)

This type of space would be ideal for: large/multi-sized original pieces, offering multiple types of hanging products, & having creative freedom to make an eye-catching display.

- **Shelving:**

We will have shelving available to display your work, at **\$40/month per shelf - 24" length, 12" depth, 10" height**. These spaces will also be maintained by the artist (set up & stocked, we will not have space to hold extra stock, but will notify you when your space needs to be restocked) We can provide some display pieces to help set up your display, however they will not be guaranteed and we recommend bringing your own display pieces. You'll be welcome to decorate your shelf however you want (barring painting).

This type of space would be ideal for smaller original pieces, offering multiple types of sitting products, & having creative freedom to make an eye-catching display.

Specified Space

- **Keychain Display:**

We have a revolving keychain display. Rent space on said display for **\$5/month/hook OR \$30/month** to rent one face of the display (6x20" - generally fits up to 8 hooks). Each hook can generally fit 3-5 keychains at a time, which can be all 1 design or a variety. We will not have space to store extra stock, but will notify you when your space needs to be restocked.

- **Print Tower:**

We have a revolving print display with **6x7 inch** pockets. Rent space on said display for **\$5/month/pocket**. You can fit as many designs as you like in each pocket, however having 1 design per pocket is generally recommended for the sake of visibility. Each print design will need to be approved individually. We will not have space to store extra stock, but will notify you when your space needs to be restocked.

If you're looking to offer larger prints, a General Space would better accommodate your needs.

NOTE ON PRINTS:

We do offer a print on demand service, you can submit an artwork to be printed and

stocked in-house & receive 60% of each sale. We currently have room for prints up to 5x7" and will provide packaging and tags for all designs. This is a great way to make a bit of extra passive income! Each print design will need to be approved individually, and pricing will be decided based on sizing. You would still pay monthly rent for the space.

- **Sticker Display:**

We have a wall-mounted sticker display. Rent space on said display for **\$3/month/design** max size 3x3". We will not have space to store extra stock, but will notify you when your space needs to be restocked. **Stickers in this space will be sold at a flat rate of \$3/sticker**, so individual stickers don't need to be labelled with prices, but should still be **labelled with the artist's name/brand name**.

If you wish to charge more per sticker, you will be required to provide packaging/pricing labels, and should look into a General Space.

NOTE ON STICKERS:

We do offer a print on demand service, you can submit an artwork to be printed and stocked in-house & receive 60% of each sale. We can print & display designs up to 3x3". This is a great way to make a bit of passive income! You would still pay monthly rent for the space.

- **Clothing Rack:**

We will have a 2-tiered clothing rack available to display t-shirts, custom/upcycled apparel, etc. Rent a space on this rack for **\$30/month**. Your work will be intermingled with other artists' work, so space is first come first serve and very limited. You must provide your own hangers. We will not have space to store extra stock, but will notify you when your space needs to be restocked.

Payments

- **Payouts:**

We pay out artist sales on a weekly basis via Venmo, Zelle, or cash depending on the artist preference. Payouts will be issued every Thursday.

- **Paying Your Rent:**

Artist rent will be due on the first of each month. You will remit the agreed on amount to us via cash, Zelle, or Venmo depending on artist preference (account info will be provided upon application acceptance). We will send an email reminder if rent is not paid by the 3rd of each month, and if we don't receive a response/payment by the 7th, your art will be temporarily removed from display & stored until we hear from you.

- **Independent Contractor**

As a consignor, you are considered to be an Independent Contractor for tax purposes.

Upon acceptance of your application, you will be asked to fill out a W-9 tax form, and if you sell more than \$600 worth of product, you will receive a 1099 tax form at the start of 2027.

Abandoned Property

You will be expected to be regularly reachable at the provided email address, we will only contact you by phone if we aren't able to reach you otherwise. Every 6 months, we will contact you about renewing your space. If we don't receive any response within 2 weeks, your art may be removed from display and your space will become available to other artists.

In the event that your work is taken off display & we still cannot contact you, we will store your work for up to 6 months; after which it will be considered a donation & may be put out for sale as thrift goods.
